Grade University for Schools

Partnership programme
for language schools

 www.grade.university

 partnership@grade.university

Grade University for Schools is an exceptional opportunity to take your teaching staff to the next level of excellence, whether you're a public school, private college, language course provider or other educational institution.

Joining the partnership programme is entirely free, with no hidden fees. Course costs are covered either by the educational institution or by individual teachers.

Grade University Partner means:

Status

Become an official Grade University Partner, underscoring your commitment to educational excellence and top-tier teacher training.

Quality

Grade University is a part of Grade Education Centre, one of the leading Cambridge Assessment English test centres around the world.

Support

- **over 150 preparation centres** in our network
- 100% of our course authors and tutors **hold international teaching qualifications such as** CELT-P, CELT-S, IHCYLT, TYLEC, TKT, CELTA, DELTA, TESOL

Why Partner with Grade University?

Cutting-edge experience

Empower your teachers with the latest teaching methodologies, strategies, and skills for managing groups of students.

Customised solutions

Tailor our teacher training programmes to the specific needs and goals of your institution. We will help choose courses that align with your educational philosophy.

Expert Trainers

Our trainers are 100% internationally qualified and dedicated to providing engaging and impactful training experiences for your teachers.

Flexibility and Convenience

The innovative Grade University platform allows for professional growth whenever and wherever it's convenient for you. Learn from a phone, tablet, or computer at your own pace and at a time that suits you.

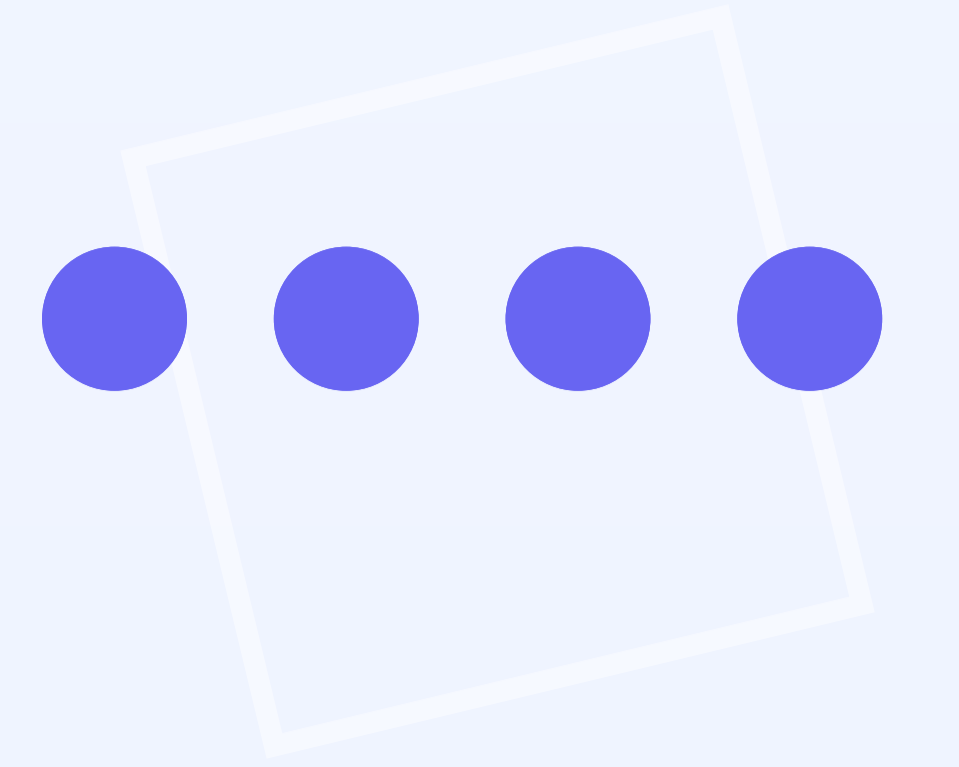

Certification

Confirm the professional level and expertise of your teachers with certificates from Grade University.

Participation Levels in the Grade University for Schools Partnership Programme

Attainment of each level is based on the completion of a specified number of courses on the Grade University platform within a calendar year.
