Grade Teacher Training programmes

Partnership with Grade is your gateway to professional growth and recognition

High-quality teaching

Elevate English teaching at your institution to a new level by implementing international standards set by Cambridge English Qualifications.

Official Cambridge English Partnership status

Gain the status of a Cambridge English Preparation Centre and integrate exam preparation into your curriculum with our expert methodological support.

Team development

Empower your teachers with professional growth through personalised training, webinars, and consultations, while providing students with new learning opportunities.

Support and prestige

Benefit from professional methodological support and public recognition of your teaching quality through certificates, promotional activities, and active participation in the partner community.

Grade Education Centre is the largest authorised Cambridge Assessment English examination centre in Ukraine and Eastern Europe. Since 2008, we have annually maintained our Platinum Exam Centre status and are recognised as one of the region's leading centres for professional development of teachers.
